NOVOTEL AFFIRMS ITS COMMITMENT TO SUSTAINABLE DEVELOPMENT BY CHOOSING THE INTERNATIONAL ENVIRONMENTAL CERTIFICATION PROGRAMME GREEN GLOBE.

Following consideration of the importance of environmental sustainability and a commitment to be a benefit to the local community, **NOVOTEL LOMBOK** is committed to strive to achieve environmental and social sustainability for its activities:

Novotel Lombok is located at the southern shore of Lombok straight on Kuta beach with 77 Superior & Deluxe Terrace room in a thatched roof pavilion and 23 Sasak Villas and 1 Family Villa with Private Garden and Terrace. The hotels offer various dining venues, a Kafe Chilli Coffee Shop, Empat Ikan Fine Dining Restaurant, Papaya Bar. We have a Meeting room, SPA, La Boutique, Uniquely-Designed garden pool and 2 beach front Swimming Pools.

NOVOTEL LOMBOK HAS TAKEN NOTE THE ISSUES OF SPECIFIC CONCERN IN ITS OWN OPERATIONS AS FOLLOWS:

- ENERGY : Open air tropical building concept to reduce the using of energy, put special signage in every electric switch to reduce energy consumption.
- WATER : Maximum usage of recycle water (STP) for gardening instead of fresh water, and the implementation of tropical garden concept.
- COMMUNITY COMMITMENT: Staff recruitment locally.
- WASTE : Recycled the waste, provided proper place for collection.
- BIODIVERSITY : Minimize of using pesticide and chemicals and choose the eco friendly products.

We commit to implement actions to reply to the above stakes.

NOVOTEL LOMBOK COMMITS TO:

- Continually improve the environmental and social sustainability performance, and benchmarking.
- Comply with the relevant legislation and other regulation.
- Give special consideration to the employment of persons living in nearby communities.
- Give preference to products and services of local origin which do not adversely affect the organization's operational activities.
- Prevent the pollution risks.
- Implement and regularly update its Environmental Management System.
- Appoint a "Green Globe coordinator(s)" who handle the project.
- Implement the Accor Hotels Environment Charter.
